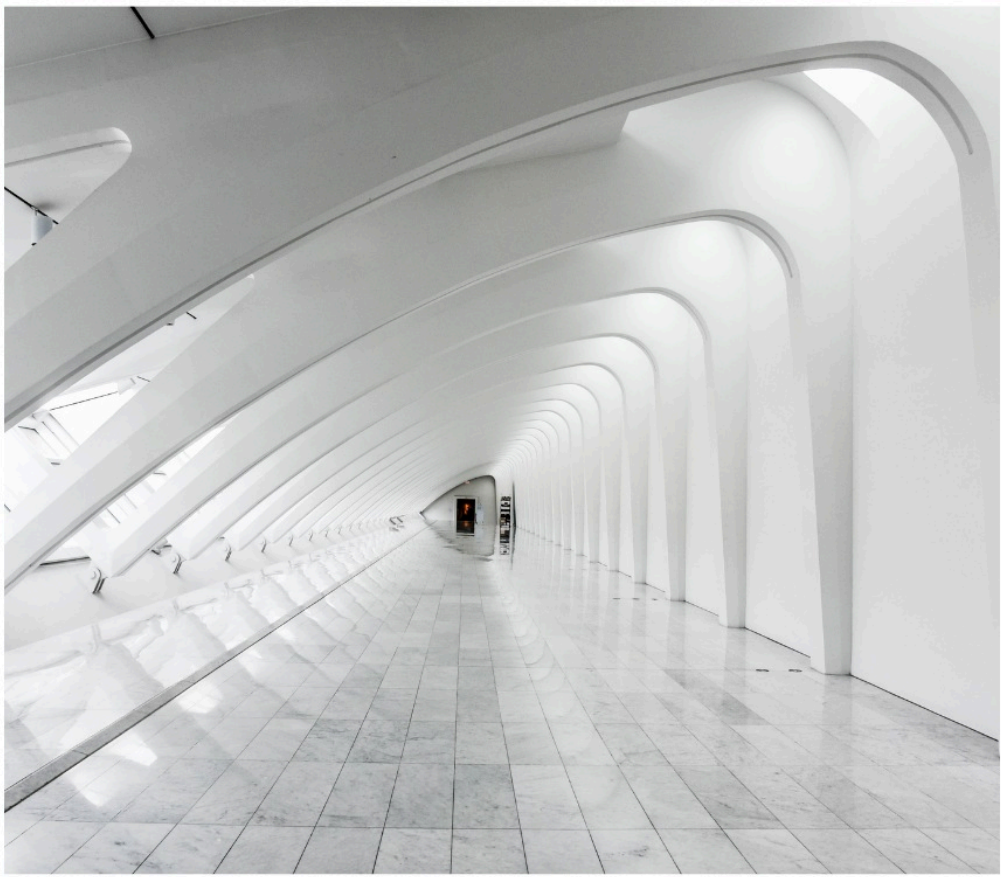
TICTAC DESIGN

ARCHITECTURE I INTERIOR

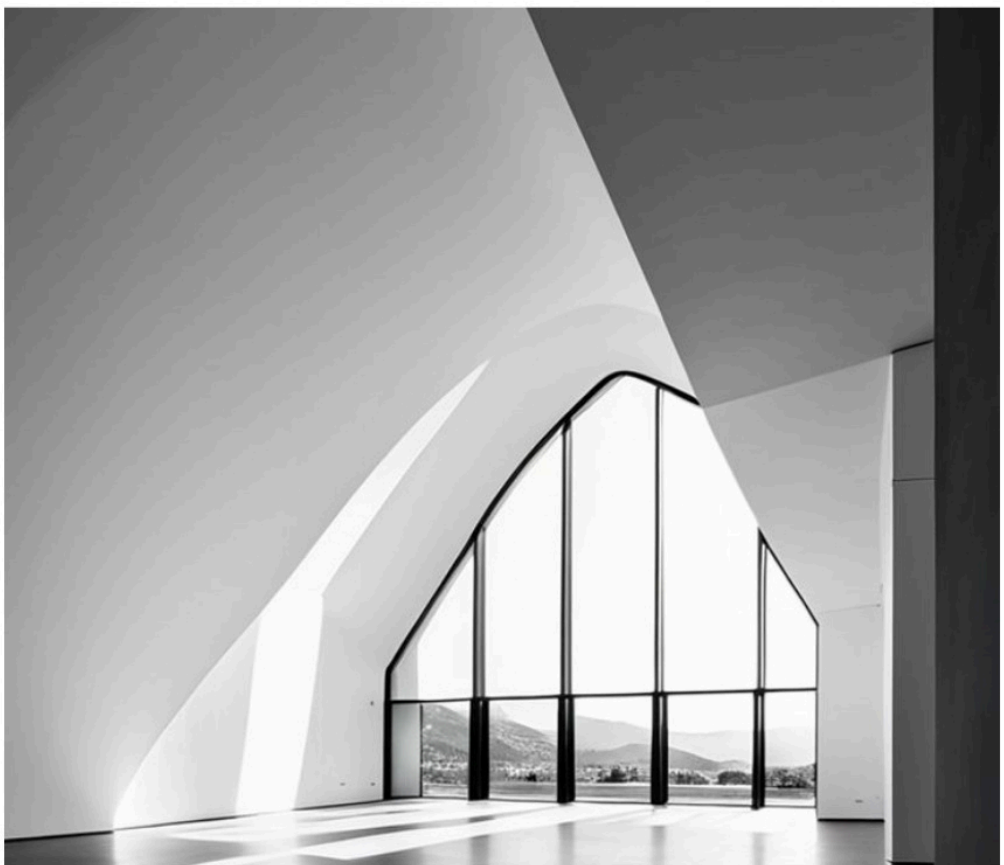
HỒ SƠ NĂNG LỰC



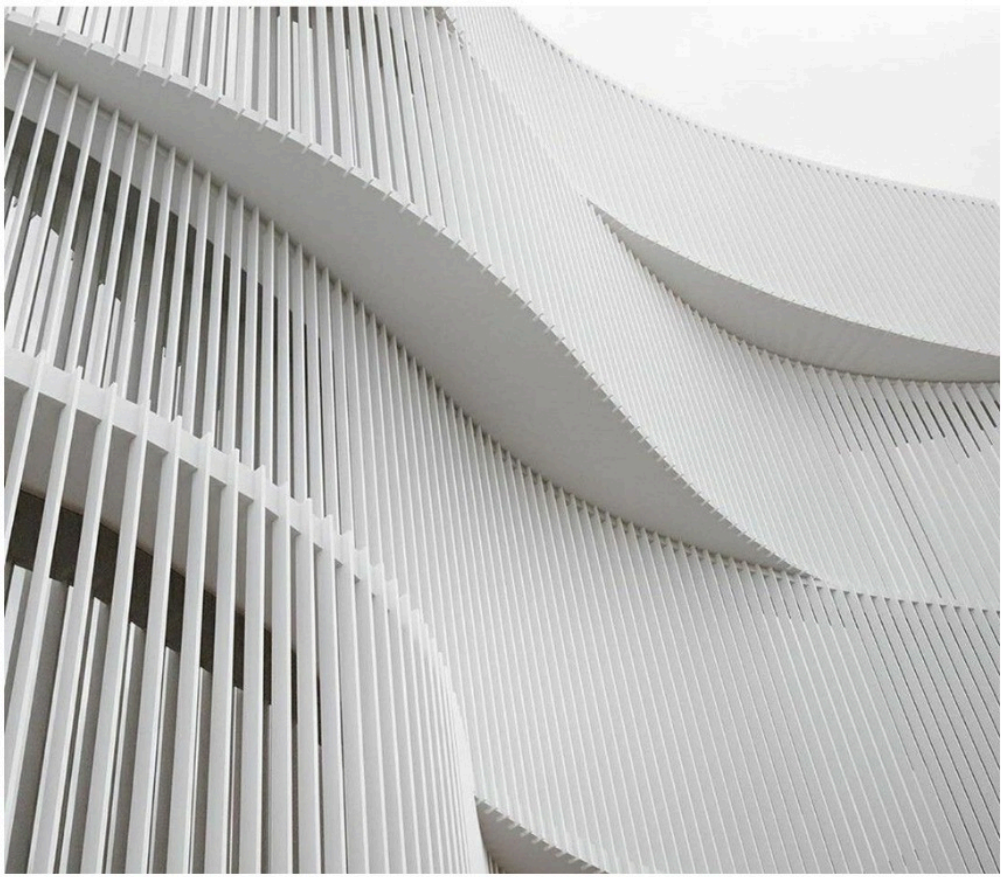
TicTac Design tin rằng thiết kế nên phản ánh nhịp sống riêng của mỗi người: có người sôi nổi, năng động, có người lại hay trầm lắng, suy tư.

Chúng mình muốn đồng hành cùng bạn trong hành trình đó để tạo ra một không gian không chỉ khiến bạn yêu ngay từ cái nhìn đầu tiên mà còn khiến bạn thấy mình thuộc về để gắn bó lâu dài.

Tictac Design thiết kế không gian sống chính xác dựa trên thói quen sinh hoạt của khách hàng, từ đó khiến công trình mang đậm tính cá nhân hóa, cá tính riêng của từng thành viên trong gia đình.



- Công năng là nền tảng.
- Trung thực trong từng chi tiết.
- Đẹp để sống, không phải để khoe.
- Làm nghề tử tế – xây giá trị lâu dài.



“ Mỗi người có một nhịp sống riêng. Không gian sống của bạn sẽ phản ánh đúng nhịp điệu đó.”
